209	12 December 1998	SELL	This is a nice example of a user/collector Nikon S1. The speeds all seem accurate. The shutter curtains are in great shape. The rangefinder/viewfinder is bright and easy to use. The top and front plates are a 9.0, the leatherette is perfect with no bubbles. No brassing on top or front plate or strap lugs. There is a little paint off the upper and lower rails of the back frame, but all intact on the frame rails. The bottom plate shows no tripod marks, but it has a small area of brassing. The back slides on and off easily for changing film. The film loads easily and the exposure counter advances properly. It is serial number 6128987. Inside the camera is a 9.0. Overall the camera is an 8 or better cosmetically. The 50mm f1.4 Nikkor-S.C (Red C) lens serial number 305905 is a 9.0 cosmetically, with eye perfect glass, clean diaphragm blades, no fungus. It focuses very smoothly and takes nice pictures. Add \$6 for shipping. Price \$550 (NOTE: THIS SET HAS BEEN SOLD!A good reference ad in FTZ) - Ken Schwartz <kasdesign1@aol.com>
