| 1560 | 12 July 2000 | SELL   | (5) Canon 35R-52 Slide Duplicator. This is an accessory for the FD bellows below. Used for slide duplicating. Condition is in Mint-. Has had very little use. RM135. (6) Kenko MC7 2x Converter FD mount. This is a 7 element converter unlike your normal 4 element ones. This produces sharp images and i've had very good results with the 135mm FD lens above. Comes with both front and rear caps plus a soft case. Condition is in Mint-. Very clean and clear glass. No marks at all on glass. RM160. (7) Hoya 400mm f5.6 HMC Tele Lens FD Mount. Has built in Hood. Condition is Exc+ to Exc++. Glass is clean, clear and no marks. I've had good results with this lens shooting animals in a zoo. Comes with rear cap, semi hard case and B&W KR1.5 filter.(72mm filter size). Very well built. RM450. I'm around the PJ area. Pls email to arrange a viewing place and time for any of the items above. Thanks. - <a href="#">Guna</a> <gunas@consortio.com> |
| 1561 | 12 July 2000 | SELL   | (3) Canon FD 135mm f3.5 lens. Condition is Mint-. Glass is in Mint condition. Has always had a UV filter on from day of purchase. Comes with original box and manuals. This is a very compact lens with a built in hood. RM360. Email for pics. (4) Canon FD Auto Bellows. The bellows is in Mint condition and has had very little use. Comes with an original Canon double cable release. Ideal companion for macro work with the 50mm macro lens above but can be used with any FD lenses as well. RM690. Email for pics. I'm around the PJ area. Pls email to arrange a viewing place and time for any of the items above. Thanks. - <a href="#">Guna</a> <gunas@consortio.com>   |
