465	7 March 2001	SELL	For Sale: an extraordinary example of Tokina's AT-X150 SD-APO 150-500mm f/5.6 Canon FD Mount Lens. Another superlative among superlatives: the world's most compact super telephoto zoom lens with a constant f-stop of 5.6 throughout the zooming range. Its one touch zoom focus system lets you focus while you zoom...so you can capture every moment. Every sports and outdoor photographer should add this lens to his or her system. This lens is rated at KEH LN- because it doesn't have the original box or paperwork. It does have the original case and lens caps. The lens hood is built-in. Contact me for images. Asking price: \$625. - John Wilkinson <fotogfrf@home.com>
466	7 March 2001	SELL	I have a mint- Nikon F3hp set for sale at further reduce price RM2850, it is with the rare MF14 back. The reason for it being mint- is because of two 2mm scratch on the MF-14 back. Body is in perfect like new condition. The back alone will cost you RM550 new if you can still find one as this back is quite rare. Will include a mint AS4 too. The AS-4 is to mount ISO flash to F3hp camera. I don't have the box but still have the original manual for the camera set. Manual is in excellent condition, no tear off or rabbit ear. I will also include a base protective cover (which Nikon only gives to shop to protect the display camera from scratches on the bottom). My F3hp is the late model with serial number 197xxxxx, which was bought in 1996-7. Please email me if you are interested. I am from Johor, Malaysia, but I can sell/ship worldwide. - kking <koh77@yahoo.com>
